## **Finishing:**

Measure the desired distance from stitching on all sides and draw a line this distance from edge of design all around, staying on grain line of fabric when possible. Do not cut the fabric.

Place the stitched design over the backing fabric, right sides together, and pin layers together. Sew around ornament along drawn line, leaving an opening on the bottom to turn.

Turn the ornament to right side, fill with padding and sew the opening. Attach hanger.

The model is embellished with red and white ribbons and with a wood button in a snowflake shape.
