*"The Mother of the Harvest" is a Primitive symbolic pattern, designed in honor of our Ancestors for celebrate the Harvest Time.*

*The corn is a symbol of the Harvest and Sun Gifts.*

*The Old woman at the center is the Ancestor and the symbol of all the Ancestors who watch over us and protect the Harvest.*

*They are honored at this time because they are those who teach us to gather the work of the past to live in our present and our future.*

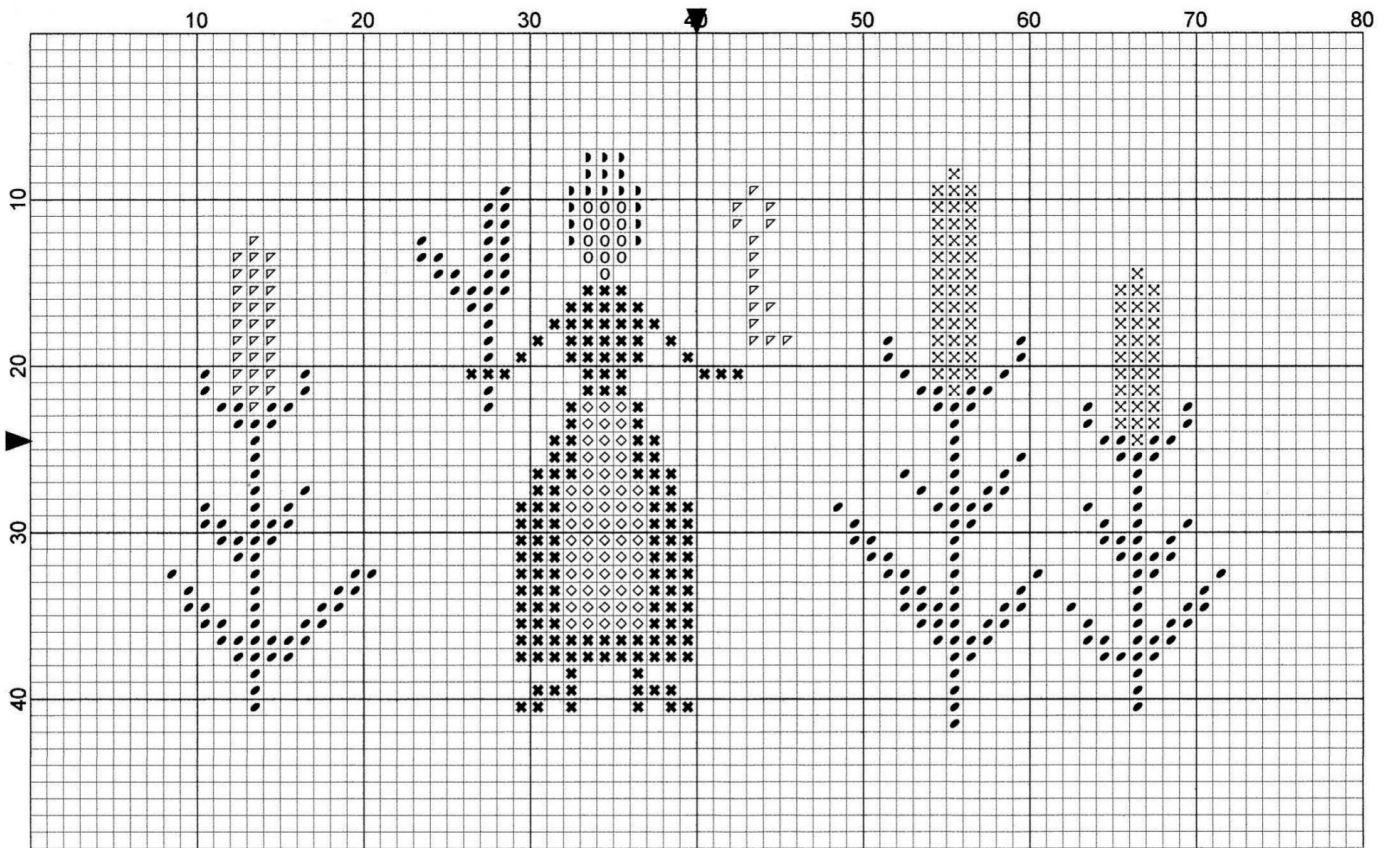

*The Ancestor holds a Key: the past that she represents, as well as the seed from which the fruit is the Key to a good harvest.*

*In the other hand has a sprig of maize: the promise for future harvests.*
